

TOKHROMA

This is Tokhroma, a work of colours and proportions specifically developed by the author, to explore and create architecture, art and design. A summary highlighting all the aspects of this work, the colours, extras and proportions, is outlined below. To aid this process, there are twelve drawings and a further reading section. For more information, please contact the author at: tokhroma@tokhroma.com and [@tokhroma.bsky.social](https://bsky.app/profile/tokhroma.com) (Bluesky).
